Environment Service Voice Agent

Team – 1

Agam Garg | Anubhav Garg | Krishna Kapil
Naman Bassi | Prachi Aneja

Problem Statement

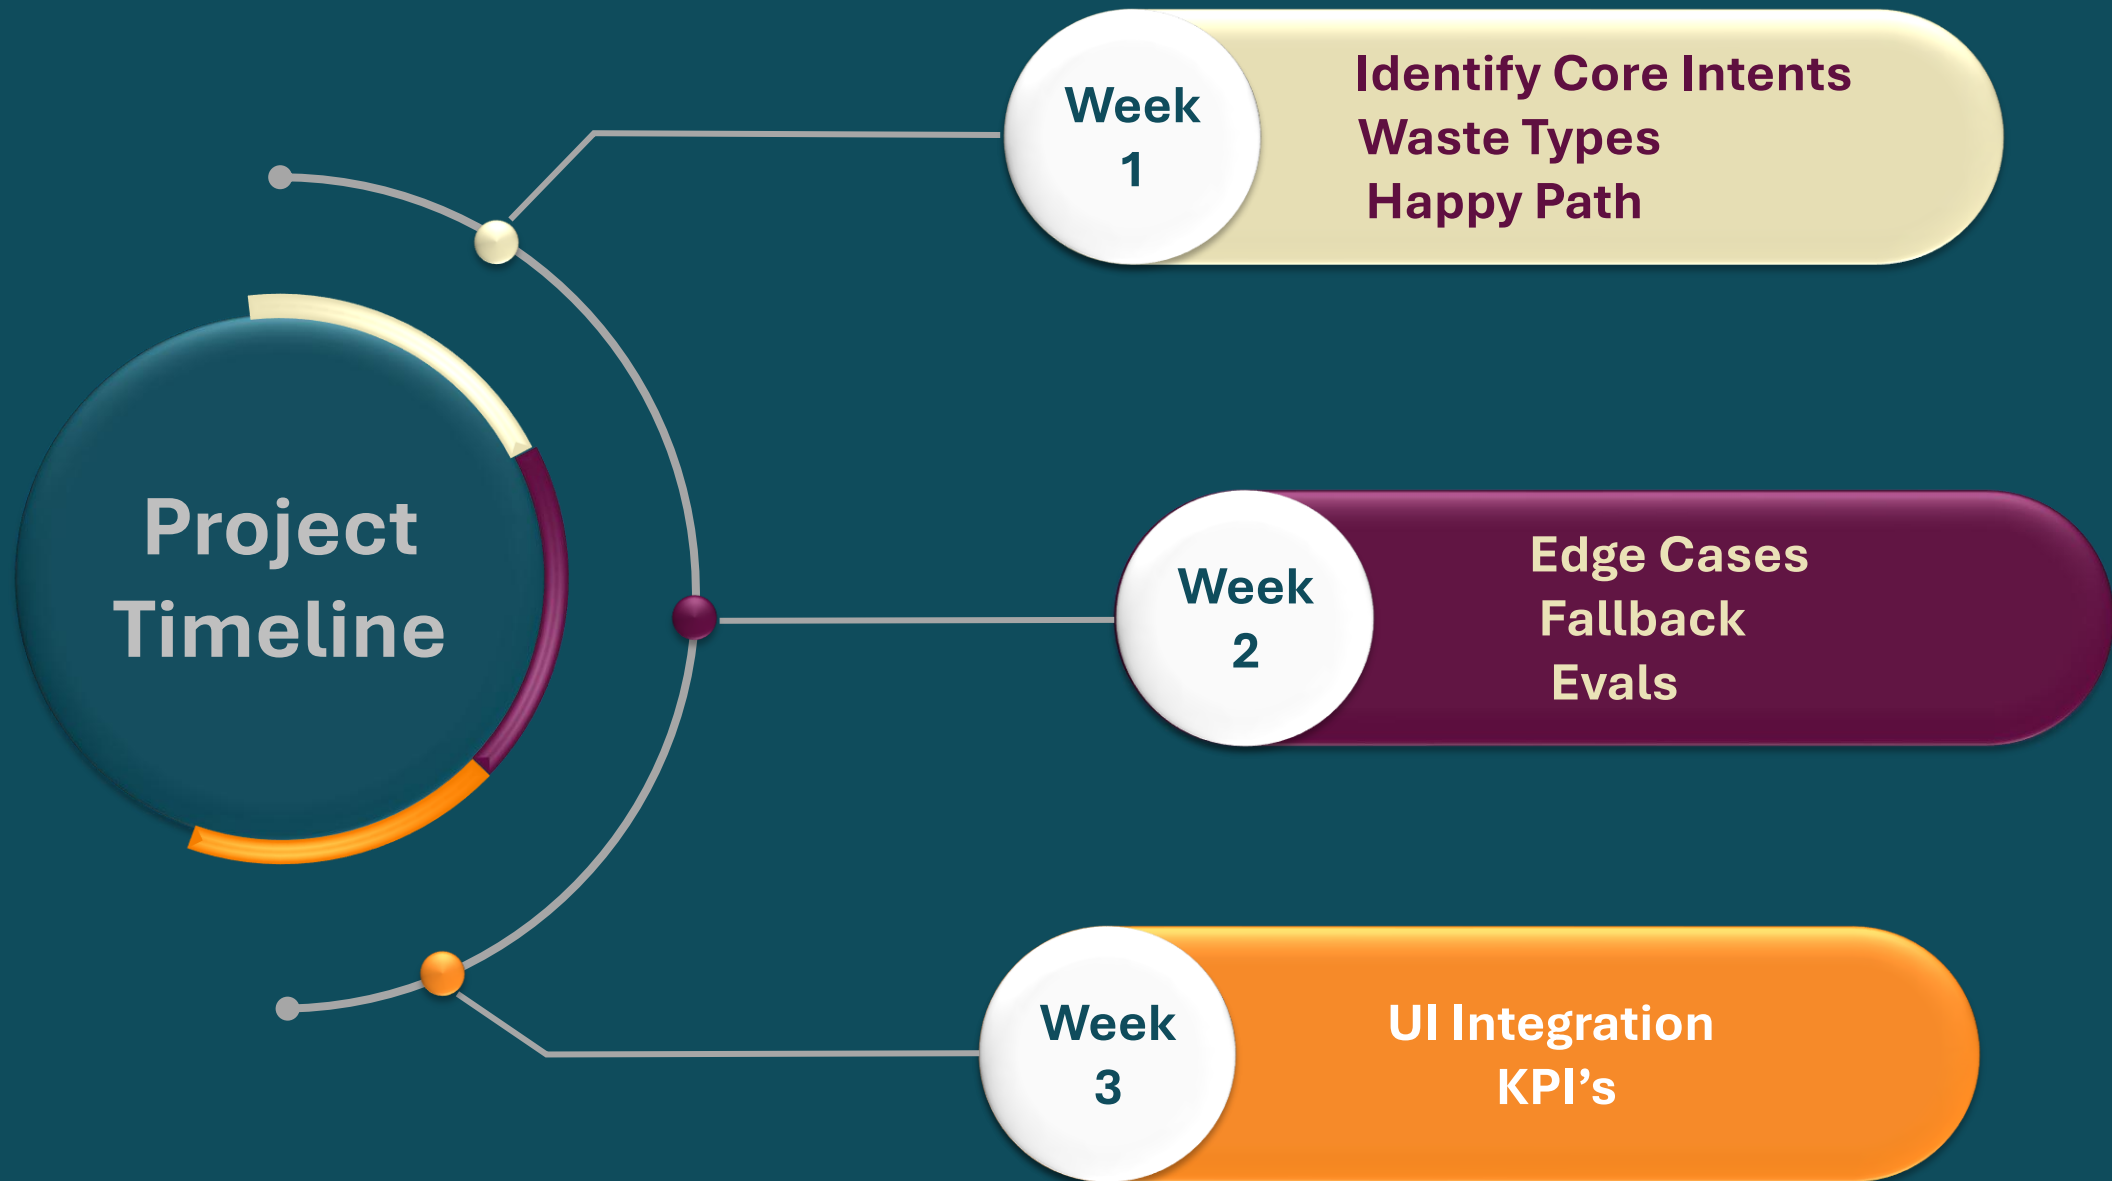

Environmental service providers face challenges due to high call volumes, missed pickups, and manual processes. These issues increase operational costs, reduce efficiency, and impact customer satisfaction.

Solution : AI Powered Agent

- Handles High Call Volumes
- Reduces Missed Pickups
- Eliminates manual Processes.

WEEK 1

Foundation

CORE INTENTS

- Missed Pickup
- Reschedule
- Container Blockage
- Service Status check
- Complaint Resolution
- New User
